God Is Doing a New Thing
at St. Luke's

Greetings, St. Luke's family and friends,

After spending most of my life attending or working in public schools, fall has always felt like a season of new beginnings to me. Everywhere I look lately, I see something new beginning at St. Luke's. Some of these changes can be found in the building around us. Some of it happens when people walk through our doors, meet a neighbor, and discover a place where they belong. The Neighborhood Thrift Shop is one of those new beginnings. Donated items are finding new homes, and our neighbors have a welcoming place to shop and connect. It is a lovely expression of St. Luke's mission: caring for our community while making good use of what we have been given. Our Grand Opening on September 26th was, by all accounts, a great success despite the uncooperative weather. If you haven't already, please visit soon and invite your friends and family to join you.

That same spirit is taking shape in other ways. Our new yoga class offers time to care for body and spirit. The vaccine clinic gave our neighbors an opportunity to care for their health. Our book club brings people together for conversation, while the sewing and quilting group creates room for friendship, creativity, and service. Each gathering gives us another chance to welcome someone and get to know them.

And then there is the roof! Its completion was a big step, and soon solar panels will be installed. Together, these projects will help us care for God's creation and strengthen St. Luke's for the years ahead. I am grateful for the many people whose time, thought, generosity, and hard work have brought us this far.

New beginnings can bring questions along with excitement. We cannot know exactly where every new effort will lead. But we can give thanks for the doors opening around us and faithfully walk through them. I believe God is calling us to keep showing up for our neighbors, trying new things, and trusting that the Holy Spirit will guide us as we go.

Thank you for the many ways you make St. Luke's a place of welcome, care, and hope. God is at work in this little church with a big mission, and I look forward to seeing where God leads us next.

Peace,
Pastor Amy

Grand Opening of The Neighborhood!
